“ I bring a practical and efficient approach to the deal process, having advised and navigated countless sellers and buyers through the M&A transaction process. I am there for my clients too when the deal is over, ready and able to assist with general corporate needs. ”

Practice Focus

- Mergers and acquisitions
- Distressed M&A
- Business counseling
- Healthcare

Jason is a Member in the Mergers and Acquisitions Practice Group. His practice is focused on representing private equity funds and private companies in various types of transactions, including mergers, dispositions, acquisitions and distressed acquisitions and dispositions. Jason’s experience also includes providing general corporate counseling to a variety of businesses in the manufacturing, construction, pharmaceutical, food and restaurant, energy, industrial, franchise, automotive, consumer products, technology and healthcare industries. He serves a general counsel function for portfolio companies of multiple private equity funds.
