

MH Business Exchange Episode 12 helps healthcare providers prepare and avoid payor audits

Michael P. Witzke, Elizabeth Sullivan | Tuesday, April 24, 2018

CLEVELAND– The 12th episode of McDonald Hopkins’ bi-weekly podcast series MH Business Exchange has been released.

During the episode titled “Overpayment: Managing medical records requests and avoiding payor audits,” Cleveland attorney [Elizabeth Sullivan](#), co-chair of the firm’s national Healthcare Practice Group, sits down with host [Mike Witzke](#) to discuss why payor audits must be taken seriously and how healthcare providers should respond to medical records requests to avoid overpayment claims. Sullivan also explains why it is important for providers to be proactive and not reactive regarding payor audits.
