

MH Business Exchange Episode 4 forecasts the future of the US energy market and its impact on the economy

Michael P. Witzke, Michael W. Wise | Tuesday, January 2, 2018

CLEVELAND– The fourth episode of McDonald Hopkins’ bi-weekly podcast series MH Business Exchange has been released.

During the episode titled “Forecasting the U.S. energy market,” host [Mike Witzke](#) sits down with Cleveland attorney [Mike Wise](#), co-chair of the firm’s Energy Practice Group, to discuss the future of the U.S. energy market and its impact on the economy.

To listen to this and previous episodes, subscribe to the podcast or sign-up to receive announcements when new episodes of MH Business Exchange are released, listeners may visit mcdonaldhopkins.com/podcasts.

Furthermore, Mike Wise will be moderating a Business Hour on January 16 from 4 to 5 p.m. The panel, which will feature Mike Moore, CEO & president of Gulfport Energy, Paul Boulier, vice president of industry & innovation at Team Neo and Andrew Fletcher, senior vice president of KeyBank, will discuss the shale results from 2017 and what to expect in 2018.

The event will be held at McDonald Hopkins’ Cleveland office at 600 Superior Avenue East in the Fifth Third
