

Episode 18: Trends in long-term care

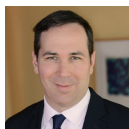

Michael P. Witzke, Todd C. Baumgartner | Tuesday, August 21, 2018

On episode 18 of MH Business Exchange, host [Mike Witzke](#) and Cleveland attorney [Todd Baumgartner](#), a member of the McDonald Hopkins' Business Department and the chair of the General Corporate Practice Group, discuss current trends in long-term care. Among the topics covered are the expanding number of new facilities to service a growing senior population, the pitfalls to consider when building or acquiring assisted-living facilities, Certificate of Needs programs, and access to HUD financing.
