

Beth I. Gillin

Associate

Cleveland

E: bgillin@mcdonaldhopkins.com

P: 216.348.5457

Practice Focus

- Business litigation
- Energy
- Litigation
- Products liability and mass tort
- Trade secret, non-compete and unfair competition

Beth focuses her practice on all aspects of commercial litigation. She has extensive experience representing companies and employers in all phases of litigation in matters in federal and state courts and before administrative agencies in connection with commercial disputes, breach of contract and breach of non-compete agreements, public utility and energy law, class actions, products liability and mass tort litigation, employment litigation, corporate and partnership disputes, and professional liability litigation.

Beth has significant experience representing clients at trial, mediation and depositions and has managed numerous complex discovery productions. She has substantial experience in restrictive covenant and unfair competition claims, multi-district litigation, real estate and construction litigation, and drug and pharmacy law. Beth also has experience representing employers in ERISA litigation.

Beth earned a J.D. from University of Pittsburgh School of Law in 2006. She received a B.A., cum laude, from the University of Delaware in 2003.
