

Jermaine Conner, CIPP/US, CIPP/E

Associate

Cleveland

E: jconner@mcdonaldhopkins.com

P: 216.348.5707

Practice Focus

- Data privacy and cybersecurity
- Breach coaching and incident notification

Jermaine is an associate in McDonald Hopkins' national Data Privacy and Cybersecurity Practice Group.

He is certified by the International Association of Privacy Professionals as a Certified Information Professional for the United States and Europe, which is considered the gold standard for information privacy professionals (CIPP/US, CIPP/E). His practice is focused on counseling clients in relation to issues regarding cybersecurity, data breaches, privacy matters, and responding to regulatory investigations. If you suspect that your organization has suffered a data breach, call our 24/7 Hotline: 855-MH-DATA1 (855-643-2821).

Prior to joining the firm, Jermaine was a law clerk at an international law firm, where he assisted in counseling clients regarding insurance coverage in connection with investigating and responding to data security incidents.

Jermaine earned his J.D. from the University of California, Berkeley School of Law. He received a Bachelor of Science in Early Childhood Education from the University of Cincinnati. Jermaine is conversational in Spanish.
